Online Registration Process**
Begin on Saturday, March 12 at 9:00 a.m.

You can register for most recreation programs online. Capturepoint's "Community Pass" program is designed to expedite and streamline the registration for our users. Below are brief instructions on how to access the online system:

- 1. Log on to <https://register.communitypass.net/VillageofPleasantville> and create your profile now.**
- 2. Click on "Create an account for your family now"**
- 3. Complete the account information and click submit**
- 4. Click on "Register Now" to begin registering for programs**

Follow the instructions on the resulting pages to add individuals to your family account and register for all programs available from Pleasantville Recreation Department. Depending on the age, grade or gender of the members of your family account, the system will display the programs that each family member is eligible for (i.e., an 8-year-old will be eligible for Summer Camp, but not Adult Open Gym.)

Please check our website at **www.pleasantville-ny.gov** and flyers distributed through the School District for dates and times. Please call the telephone number above for more information. We look forward to seeing you soon!

Please note:

If you are waitlisted for a class and space becomes available we will notify you by e-mail. Follow the link in the e-mail to register. You will have three days to register for the class after you receive the e-mail notification.

If you fail to register for the class within the three day period we will assume you are no longer interested in the class. You will then be removed from the waiting list so we can offer this class to the next person on the list.
