

BLOTTER SUMMARY

1/24/2022 through 1/30/2022

The blotter reports listed below represent a selection of reports made between the dates listed above.

1/24/2022 9:28am A resident of Sarles Lane reports an injured deer walking through her backyard. Responding officers located the deer, but it was not so injured; it ran off into the woods when it saw them approaching.

01/24/2022 10:05am A resident of Pleasantville requested assistance in serving custody papers on his ex-girlfriend, who also lives in Pleasantville. Officers were able to serve the papers without incident.

01/24/2022 7:09pm An individual, who reported to be homeless, came to Pleasantville PD HQ and reported that he was having suicidal thoughts. An ambulance was called, and officers engaged with the man and kept him safe until he could be transported by Pleasantville VAC for a mental health evaluation.

01/25/2022 8:10am A news van was reported to be parked illegally in front of the Pleasantville High School. The responding detective spoke to the members of the news crew, who were reporting live regarding the mask mandate in schools, and the van was moved to a legal space.

01/25/2022 12:40pm A resident of Bedford Road called to report a smoke condition somewhere in the area of the Old Village. Officers were able to locate a controlled burn being conducted by another resident of Bedford Road in violation of the Village code. Responding officers advised the party responsible and corrected the situation.

01/26/2022 11:39am A resident of Washington Avenue reports she may be the victim of a fraud. She reports she was contacted by a person who stated he was from Amazon stating a purchase was made in Ohio by an individual unknown to her. The "Amazon representative" then coerced her into sharing personal identifying information, and she noticed unauthorized charges shortly thereafter. Officers made a report and an investigation is ongoing.

01/26/2022 11:46am A resident of Foxwood Condominiums reports his elderly neighbor has fallen and injured her back. Responding officers attempted to keep her comfortable until the arrival of medical personnel. She was transported to the hospital by Pleasantville VAC.

01/26/2022 8:25pm After two days of trying and multiple unsuccessful attempts by officers on various shifts, PO Velardo was able to serve Criminal Court paperwork on a resident of Manville Road.

01/27/2022 12:31am A resident of Saratoga Avenue reported he is experiencing chest pain. Responding officers administered oxygen while awaiting the ambulance. The party was transported to the hospital by Pleasantville VAC.

01/27/2022 9:49am An Village employee reported that a woman was dumping her household garbage into the dumpster maintained for the use of the Recreation Department. Responding officers explained the use of the dumpster to the woman, who does not live locally, and corrected the situation.

01/27/2022 10:41am The central monitoring station for a personal alarm company notified this Department of a Lifeline Alert activation at a residence in Foxwood Condominiums. Upon arrival, the elderly resident who lived there reported she had fallen but was not injured. Responding officers believed she would benefit from a medical evaluation and called for the paramedic to respond. After that consultation, the woman agreed to be taken to the hospital and was transported by Pleasantville VAC.

01/27/2022 5:41pm County Fire Control requested a police response to the Bedford Road School for a fire alarm activation. Responding officers assisted Pleasantville Fire personnel in determining that there was a faulty sensor in the building.

01/28/2022 5:09pm A resident of Brentwood Drive reported that despite being on oxygen, her son is registering low oxygen levels. Responding officers tended to him while awaiting the arrival of the ambulance. The young man was transported to the hospital via Pleasantville VAC.

01/28/2022 7:51pm An employee of Child Protective Services reported he has observed the vehicle of a party, who is prohibited from being at the residence, in the driveway of a house within the Village. This has made him suspicious that a violation of the order may be ongoing. Responding officers interviewed the protected person of the order at the location, who stated that the defendant was not there and the car was only parked in the driveway to avoid the Village snow ordinance.

01/28/2022 11:44pm A resident of Washington Avenue reports loud noise coming from her neighbor's apartment. Responding officers were able to locate the source of the noise and have the individual responsible lower the volume.

01/29/2022 1:29am Mount Pleasant Police requested an officer to respond to Mountain Road to assist their officer with a disoriented party. The Pleasantville officer provided back-up until the situation was determined to be safe.

01/29/2022 12:45pm A resident of Pleasantville reported the erratic operation of a vehicle being driven in the area. The description of the vehicle and the driver allowed PO Casale to locate the driver on Manville Road. The operator was issued a summons for an equipment violation.

01/30/2022 12:29am A caller from Bedford Road reports a possible domestic dispute between two people on the sidewalk in front of his house. He had observed a woman walking and a man following behind, and they appeared to be arguing. Responding officers located the couple who were not arguing, just intoxicated. They were asked to be more mindful of the noise they were creating.

01/30/2022 12:39am This Department received a call from a central alarm monitoring station of a burglar alarm activation at a business on Manville Road. Responding officers found an open door, and the cash register empty. A keyholder was contacted, who responded and stated he always removes the cash upon closing for the night. He reported everything else looked to be in place, and that the door must have been inadvertently left open.

01/30/2022 1:25pm A resident of Maple Hill Road called 911 to report a smell of gas within her home. Responding officers assisted Pleasantville FD personnel as they determined that the source of the leak was the dryer.
