Checks should be made payable to "Village of Pleasantville." Payment can also be made via Visa and Mastercard.

Senior Citizen registration is on-going at the Clinton Street Center.

Registration is on a first-come, first-served basis. Due to the popularity of our programs you will be permitted to register for your family only. You must be 18 years old or older to register for a program. Please be advised that due to the access to registration that our online system provides, it is possible for certain programs to fill up in a very short period of time and a waitlist to be started.

Register for Programs Early!

Nothing eliminates a recreation program faster than participants who wait until the last minute to register. There is a point when a program must be cancelled or modified if there is insufficient registration. All programs require a high level of coordination, often including facility scheduling, staffing, volunteer recruitment and purchasing of supplies. PLEASE DO NOT WAIT TO REGISTER!

Registering Online?

- 1. Make sure you have an established account. Do NOT create a "New" account if you have registered with us before.
- 2. Check that your Username and Password are working
- 3. Check to see that all members of your household are on your account and that their info (Age, Gender, Grade, etc.) is correct. THIS IS PARAMOUNT in order to register for age-level appropriate programs.

The Village of Pleasantville will not discriminate against any individual on the basis of disability with regard to the full and equal enjoyment of the goods and services of all programs. The Village of Pleasantville will make reasonable modifications to its policies, practices, or procedures when necessary to afford its goods and ser-vices to individuals with disabilities, including children with allergies and who may require the administration of medications, unless the Village of Pleasantville can demonstrate that making the modifications would fun-damentally alter the nature of its services or not otherwise be feasible.

The Village of Pleasantville will take such steps as may be necessary to ensure that no individual with a disa- bility is excluded, denied services, segregated, or otherwise treated differently than other individuals be- cause of the absence of auxiliary aids and services, unless the Village of Pleasantville can demonstrate that taking such steps would fundamentally alter the nature of the good, service, facility, privilege, advantage, or accommodation being offered. A parent or guardian can contact Mike Newman, Superintendent of Recreation at 914-769-7950 or recreationsuperintendent@pleasantville-ny.gov in the event their child has a disability that may require accommodation.
