09/20/2023 6:50am A resident of Wappingers Falls requested a welfare check on a friend who lives on Bedford Road. He stated that when he called her, she answered but did not respond to him, and he was concerned. When officers made contact with the woman, they determined she was fine and all was in order.

09/20/2023 7:30am A pedestrian called to report that while she and a friend were walking on Sunnyside Avenue in the area of the railroad overpass approximately ten minutes prior, several cars did not stop to allow their safe passage. Additionally, two vehicles stopped and yelled profanities at her. While she was able to describe the drivers, she could not provide further identifiable vehicle information. A report was filed, and the caller was provided with contact information for the village's pedestrian committee.

09/20/2023 9:13am A party called to report a parking complaint on Lincoln Avenue wherein parking spots were being "held" or otherwise made inaccessible to the public by other persons on the street. An officer was dispatched and spoke with all parties involved to come to an amicable solution.

09/20/2023 10:04am A family member requested medical assistance for a resident of Brentwood Drive who suffers from COPD. The ambulance and the paramedic were dispatched, and the responding officers remained on scene to monitor the man's condition until EMS arrival. The party was transported to the hospital by Pleasantville VAC.

09/20/2023 10:54am Fire Control dispatched the fire department to a central smoke alarm at an apartment building on Washington Avenue. The responding officers assisted Pleasantville FD personnel to determine that the alarm activation was the result of faulty equipment, and management was notified.

09/20/2023 6:12pm A resident of an apartment complex on Vanderbilt Avenue reported an activated fire alarm in building. Pleasantville FD was dispatched via County Control, and responding officers assisted in determining the activation was caused by burnt food on the stove of another apartment.

09/20/2023 6:27pm A local resident reported that approximately 10 minutes prior, her husband, who suffers from Alzheimer's, had left their residence in an unknown direction. A description was provided, and officers canvassed the area and notified surrounding agencies to be on the lookout for him. He was located by a member of the New Castle Police Department a short time later and returned to the care of his wife.

09/20/2023 7:03pm A resident of Vanderbilt Avenue came to Police HQ to turn in a wallet he found while out for a walk on Bedford Road. The owner was unable to be located, so the wallet and its contents were placed into safekeeping.

09/21/2023 1:33pm A resident of New Jersey reported being involved in a motor vehicle accident without injuries. The responding officer facilitated the exchange of information, as the damage was minor and both parties involved did not want a report.

09/21/2023 9:31pm A resident of Hays Hill Road reported an 18-wheeler stuck in the roadway and partially in a neighbor's yard. Responding officers determined that the truck had tried to turn around and got stuck. A local tow company was contacted, and officers blocked the road while the truck was removed from the lawn.

09/22/2023 8:03am One of the drivers involved reported a minor motor vehicle accident without injuries on Saratoga Avenue. The responding officer checked the status of the operator's license, and found that one of them was operating on a suspended license. She was arrested, processed at the scene and released with a ticket to appear in Village Court to answer a charge of Aggravated Unlicensed Operation. A NYS Accident Report was filed.

09/22/2023 8:06am A resident of Pleasantville Road came to Police HQ to document an incident of trespass involving her brother. She had observed him on her security cameras in her backyard, when he had no right or purpose for being there. The homeowner did not wish to pursue any criminal charges, but wanted the situation to be on the record.

09/22/2023 09:19am A village resident reported seeing what they believed to be a sheep or a dog loose in the brush near the Foxwoods Tennis Courts. The responding officer reported that the unknown animal was a coyote that retreated back into the woods upon the officer's arrival.

09/22/2023 10:15am County Fire Control dispatched EMS to a residence on Manville Road for a party with difficulty breathing. Officers responded to provide assistance, and the patient was taken to the hospital by Pleasantville VAC.

09/22/2023 4:52pm A resident of Sunnyside Avenue reported a gas-powered leaf blower in use in the area of his home. The responding officer located the landscaper using the equipment and advised him of the village ordinance. The landscaper ceased use.

09/22/2023 7:39pm A resident of Ossining called 911 reporting that he was experiencing a severe nose bleed on Irvington Street. EMS was dispatched, and officers administered basic first aid pending their arrival. The patient ultimately refused further medical attention.

09/23/2023 8:38am A woman called 911 reporting an active domestic incident at a residence on Mountain Road. The residence was in the jurisdiction of the Mount Pleasant PD, but due to the nature of the incident and the proximity to the village, Pleasantville officers responded to assess the situation and secure the scene while awaiting their arrival. Once Mount Pleasant officers arrived on scene, control was turned over to them and Pleasantville units went back in service.

09/23/2023 3:05pm A resident of Hawthorne reported backing into a parked car while attempting to park on Manville Road. Responding officers located the owner of the parked car, who was from Ossining, and determined that no damage was done to either vehicle.

09/23/2023 5:17pm A call was received from an alarm company reporting an automatic alarm at the Pleasantville Middle School. The responding officers checked the exterior of the building, and it appeared secure.

09/24/2023 7:54 pm A resident of View Street reported a carbon monoxide alarm activation and smoke in the attic of their home. Pleasantville FD was dispatched via County Fire Control. The responding officer assisted in determining that an improperly-working furnace was the issue, so Pleasantville FD vented the attic. Once the carbon monoxide levels returned to normal, all agencies were able to clear the scene.

09/24/2023 8:44 pm A resident of Grant Street reported a truck pulling a disabled trailer at the intersection of Manville Road and Grant Street. The responding officer determined that the trailer had lost a tire, and the driver was awaiting a local tow company to assist. The officer remained on scene to assist with traffic until the tow company could respond.
