

## **BLOTTER SUMMARY**

**September 25th through October 1st, 2023**

The Blotter reports below represent a selection of reports made between the dates above.

09/25/23      9:43am      A local resident came into Police HQ and requested police take custody of a target pistol that was left behind by her late husband, along with other incidental items. Responding officers retrieved the pistol, and determined that some of the ammunition might be unstable, so the Westchester County Police Bomb Squad was contacted for removal. The weapon was secured at the police station where it awaits destruction.

09/25/23      10:15am      A resident of Weskora Avenue requested assistance for a family member who lives in Foxwood Condominiums and had suffered an injury to her foot. EMS was dispatched, and the officers maintained pressure to the wound while awaiting their arrival. The injured party was then transported to an area hospital for further care.

09/25/2023    7:18pm      A resident of Bedford Road reported a disabled vehicle obstructing vehicular flow on Bedford Road in the area of Pleasantville Road. The responding officers learned that a private tow company had been requested, and assisted with traffic control until the vehicle was removed from the roadway.

09/25/2023    9:00pm      County Fire reported they were dispatching Pleasantville FD to a reported microwave fire and a smoke condition on Pleasant Avenue. The responding officer determined the cause of the condition was burnt food. Pleasantville FD personnel vented the residence and cleared the scene.

09/26/2023    5:17am      A staff member from a hospital in Maine requested assistance contacting a village resident whose parent was currently in the hospital's emergency room. After confirming the caller's identity, the Desk Officer contacted the resident's spouse, who stated that they were expecting the call and would contact the hospital immediately.

09/26/2023 12:50pm A resident of Clinton Street requested assistance from the Police Department, but was unable to provide any further information before hanging up. Responding officers canvassed several apartments before locating the caller and determined that there was no emergency, only confusion over a grocery delivery. All the items were located by the caller and her neighbor.

09/26/2023 4:49pm A passerby reported two dogs running in the roadway on Washington Avenue. Responding officers assisted the owners to corral one of the dogs, but the other evaded capture and remained at large until it came home on its own about an hour later.

09/27/2023 9:15am The manager of a local vehicle repair shop on Marble Avenue reported a man working on his boat in the parking lot. Prior to the officer's arrival, the manager called back and reported the man had left.

09/27/2023 1:17pm A resident of Pierce Drive came into Police HQ to report her family had been the victim of identity theft where a sum of money was taken out of their bank account. She had received a text from "Citibank Fraud Department", but became suspicious when the follow-up caller asked her to log into her account. She disconnected the call and ended the transaction, but not before the removal of money from a linked account and her overdraft protection. The responding officer took a report, and the case is currently under investigation.

09/27/2023 1:50pm An Ossining resident came to Police HQ to report her brother, who suffers from dementia, had left their residence. The man had an Air Tag in his possession, which gave a location on Bedford Road in Pleasantville. Officers began canvassing the area, and surrounding agencies were notified. A short time later, a Mount Pleasant Police Officer located the man in their jurisdiction. EMS was dispatched, and the man was determined to be in good physical health, and he was released to the care of his sister.

09/27/2023 2:52pm A resident of Sutton Place reported several vehicles parked in the no parking zones on the street. The responding officer found that the vehicles in violation had been moved, but he remained in the area to ensure no further violations took place.

09/27/2023 6:22 pm The central monitoring station for an alarm company reported a commercial fire alarm activation at a business on Castleton Avenue. Pleasantville FD was dispatched by County Fire Control, and the responding officers worked with them to determine the activation to be accidental. The scene was cleared by Pleasantville Fire.

09/27/2023 7:00pm A resident of Englewood, New Jersey reported she had hit a deer on Broadway, and the animal was injured in the roadway. The caller did not want a report and continued on her way without stopping, but the responding officers were unable to locate the animal.

09/28/2023 9:21am County Fire Control reported they were dispatching Pleasantville Fire to an automatic fire alarm at a residence on Vanderbilt Avenue. The responding officers assisted FD personnel to determine that the alarm was set off accidentally, and the scene was cleared by Pleasantville FD.

09/28/2023 10:44am A caller reported a gas powered leaf blower being operated on Martling Road in violation of the village ordinance. The responding officer located the leaf blower in use, and determined it to be electric.

09/28/2023 2:58pm A caller from Sutton Place reported cars parked in violation of the posted parking signs near their home. The responding officer did not observe any vehicles parked in violation.

09/29/2023 7:38am A woman called from her co-worker's home on Washington Avenue and reported that she had found him on the floor with severe vertigo. EMS was dispatched, and responding officers learned that the man had consumed alcohol and a gummy the night before, and was now feeling very nauseous. The officers provided basic assistance until the ambulance and the paramedic arrived, and the patient was transported to the hospital by Pleasantville VAC.

09/29/2023 10:16am A resident of Thornwood reported a youth in the stream near Nannahagen Park on Lake Street. Responding officers found the youth out of the water upon their arrival, and determined he was a resident of a local residential treatment facility. An ambulance and the paramedic were requested to respond for a medical evaluation, and following that, he was returned to the custody of staff.

09/29/2023 10:55am A resident of Manville Road reported that the road in front of his home was flooded due to heavy rains. Responding officers temporarily shut down traffic pending the arrival of Public Works employees to close the road and mitigate the water.

09/29/2023 11:18am While responding to the previous call, the officer was informed by the original caller that he had also locked his keys in his vehicle. The officer responded at his first opportunity, but the caller had already found a way into his vehicle and no longer needed assistance.

09/29/2023 12:49pm A village resident called to report a carbon monoxide alarm activation in their basement. The caller was transferred to County Fire Control who dispatched the Pleasantville FD. The responding officers reported that the scene was cleared by FD, and Con Edison was contacted to handle further.

09/29/2023 2:51pm An employee of the Mount Pleasant Public Library reported that money and various credit cards had been found in the bathroom. The responding officer took possession of the items, and was able to contact the owner, who responded to police HQ to retrieve his property.

09/29/2023 6:09pm A resident of Weskora Avenue requested assistance getting his wife relocated into their home. Responding officers were able to assist her inside.

09/30/2023 4:15am Due to the suspension of Metro North service for flooding issues, a vehicle parked in Memorial Plaza in violation of the regulations for the Farmer's Market was not towed, but moved into a legal parking space by the tow company.

09/30/2023 9:22 am A village resident requested medical assistance for her husband, who was suffering from severe abdominal pains. The ambulance and the paramedic were dispatched, and the responding officers provided care until EMS arrived. The patient was transported to the hospital by Westchester EMS.

09/30/2023 3:43pm A resident of Marble Avenue reported she had locked her keys inside her vehicle and requested assistance. The responding officer was able to gain entry to the vehicle without incident.

09/30/2023 10:30pm An employee of a residential medical facility requested assistance for a patient who had fallen and was injured. The ambulance and paramedic were dispatched, and responding officers helped to keep the patient stable until EMS arrival. The patient was transported to the hospital by Pleasantville VAC.

10/01/2023 1:18am A resident of Bedford Road reported a loud group walking past her house heading out of the village. Officers responded and found the area to be quiet.

10/01/2023 8:17am A village resident reported a roofing crew at his neighbor's residence was unloading equipment in violation of the village noise ordinance. The responding officers spoke with the crew, who ceased their activity and left the scene for the day.

10/01/2023 11:03am County Fire Control reported they were dispatching the ambulance and the paramedic for an infant suffering from an allergic reaction at a residence in the village. The responding officers provided assistance until EMS arrival. The infant was transported to the hospital with their parent by Pleasantville VAC.

10/01/2023 4:09pm A resident of the village requested assistance, as the accessibility ramp on his vehicle was malfunctioning. Pleasantville Fire was requested to respond, and with the assistance of FD personnel, the responding officers were able to assist the party in safely getting out of the vehicle.
