

BLOTTER SUMMARY

September 4 through September 10, 2023

The Blotter reports below represent a selection of reports made between the dates above.

09/04/2023 8:35am The Police Department was notified about a traffic light out of service at the intersection of Marble Avenue and Bedford Road. The company who services the traffic lights was notified.

09/04/2023 12:55pm A resident of Willis Place requested assistance after a fall. Responding officers helped her up and following a medical assessment, the ambulance and paramedic were requested to respond. Following an examination by EMS personnel, the patient refused any further medical attention.

09/04/2023 5:38pm A resident of Briarcliff Manor reported a flooding condition at an unoccupied business on Bedford Road. Responding officers requested FD to respond, who was able to shut off the water, as an apparent burst pipe was the issue. The business owners and the building owner were notified, and they dispatched a cleaning crew to remediate the scene.

09/05/2023 8:00am A village crossing guard reported a property damage auto accident at the intersection of Manville Road and Great Oak Lane. Responding officers determined that no one was injured. A NY State Accident Report was filed.

09/05/2023 12:21pm A tractor trailer operator requested police assistance backing out of Paulding Street. Responding officers were able to assist the driver to back out safely onto Marble Avenue.

09/05/2023 5:36pm A resident of Washington Avenue reported a disabled vehicle in the roadway near her home. An officer responded and determined the vehicle was disabled and needed to be towed from the scene. The officer remained on scene with the vehicle and owner to assist with traffic control until the vehicle was removed.

09/05/2023 6:00pm A delivery driver reported that he sustained minor injuries while making a delivery to a residence on Lake Street. He stated he noticed the door open, saw two dogs and had fallen while running away. Responding officers requested EMS, and attempted to keep the man comfortable pending their arrival. The patient was transported to the hospital via Pleasantville VAC. A follow-up investigation revealed the dogs had not exited the porch during the time the driver was on the property.

09/05/2023 8:33pm A resident of Washington Avenue reported that a man doing his laundry at a laundromat in the Village had a machete amongst his belongings. Responding officers interviewed the subject, who had stored the machete prior to their arrival. Since it was never used or displayed, officers determined no crime had been committed.

09/06/2023 12:52am County Fire Control reported a residential fire alarm at a residence on Greenmeadow Road. Following a brief investigation, responding officers and Pleasantville Fire Department personnel determined that the alarm was accidental.

09/06/2023 8:36am An anonymous woman flagged down an officer to report a car parked in the Bedford Road lot unoccupied with the door wide open. Upon checking the area, the officer was able to locate the vehicle's owner and determine the door was left open accidentally.

09/06/2023 12:34pm A resident of Vanderbilt Avenue walked in to Police HQ to report a an Amazon package had been delivered to him damaged and empty. A report was filed, and the complainant was advised told to follow up with Amazon customer service.

09/06/2023 4:32pm A Foxwood Drive resident reported that her fire alarm was activated for no apparent reason. Responding officers assisted Pleasantville Fire Department to determine the activation was a malfunction.

09/06/2023 6:45pm A Manville Road resident reported that she was not feeling well and would like to be transported to a local hospital. EMS was dispatched, and responding officers kept the woman comfortable pending their arrival. The patient later refused further medical intervention and was transported to the hospital privately.

09/06/2023 7:45pm A resident of Sunnyside Avenue called 911 to request assistance helping her mother up after a fall. Officers were able to assist the patient back to her feet without further incident.

09/07/2023 11:05am A Manville Road resident reported a large delivery truck blocking the roadway in the area of her home. An officer responded, but the truck had already been moved.

09/07/2023 6:23pm One of the drivers involved reported a minor property damage auto accident in a parking lot on Irvington Street. Upon arrival, the drivers decided to handle the matter privately, and the officer facilitated the exchange of information.

09/07/2023 10:25pm An anonymous party reported several illegally parked cars on Cooley Street making it difficult for cars to park on the street. The responding officers were able to get the owners to move their vehicles to legal spaces.

09/08/2023 5:30am A resident of Mahopac reported a wire down on the corner of Madison Avenue and Columbus Avenue. The responding officer determined the wire was not hazardous and the roadway was clear. Verizon was notified for repairs.

09/08/2023 8:00am A DPW employee located a black backpack in Memorial Plaza containing various medical equipment. Since the owner could not be determined, the backpack was inventoried and placed into safekeeping.

09/08/2023 11:05am A village resident reported that at approximately 7:30am, she was running on Bedford Road and was bitten on her hand by a dog being walked. She had already sought medical attention, but wished to file a report. The responding officer documented the incident, and advised the woman to return if she were to locate the dog, as no pedigree information for the dog or its owner was available.

09/08/2023 2:15pm A tenant of Hopper Street reported a pending dispute with his landlord. Officers responded and interviewed both parties, and determined that the issues were civil in nature.

09/08/2023 6:45pm A resident of Bedford Road reported concerns regarding her ex-husband's access to their daughter's cell phone. Since their phones are linked, the caller was concerned that her ex-husband could use the phone to access her personal information. Officers responded to her ex-husband's home, and he offered to turn the phone over to help mediate the situation.

09/08/2023 9:41pm A 911 call was received from a passerby reporting youths breaking into a recently closed business on Washington Avenue. Responding officers determined that an employee had merely let a young man in the bathroom, and that no crime was committed.

08/09/2023 10:59pm A caller reports a loud audible alarm in the area of Sunnyside Avenue. Responding officers located the source of the alarm as a residence, and determined it was secure. The officers were able to assist the homeowner to reset the alarm.

09/09/2023 7:20am The central monitoring station for an alarm company reported a commercial activation at a business on Marble Avenue. Responding officers determined the alarm was set off in error by an employee.

09/09/2023 8:32am A resident of Sunnyside Ave reported a lawn crew doing work prior to the time allowed by the noise ordinance. The responding officer determined the crew had already stopped creating the noise, so he confirmed they were aware of the ordinance.

09/09/2023 12:53pm A resident of Lenox Ave requested assistance helping her mother off the floor after a fall. Responding officers assisted her up and determined there was no need for further medical interventions.

09/09/2023 1:11pm A resident of Sleepy Hollow reported a concerning incident she had just been part of in Memorial Plaza. After a dispute over a parking space, the complainant believed the other person involved had followed her. Further investigation by the Desk Officer revealed that while the interaction did take place, there was reason to believe that what the complainant thought was harassment was just a coincidence. The incident was documented with a police report.

09/09/2023 5:15pm A resident from Sunnyside Avenue reported a parking sign on the ground. The responding officer notified DPW of the issue for them to remedy.

09/10/23 1:54am A resident of Meadow Lane reported a car alarm sounding across the street from his home. Responding officers located the owner sleeping inside the vehicle. He had been locked out and was awaiting a keyholder in the morning. The alarm was reset.

09/10/2023 4:00am A resident of a multi-family apartment building on Manville Road reported his downstairs neighbor was calling for help. Responding officers could not get the man to come to the door, so they entered the apartment through a window. They soon determined the downstairs neighbor was merely talking in his sleep.

09/10/2023 8:39am County Fire Control reported an activated fire alarm at a local business on Clinton Street. The owner was contacted, and a key holder responded. Responding officers assisted Pleasantville FD personnel to determine that the alarm was a malfunction.

09/10/2023 1:45pm The central monitoring station for an alarm company reported an activated burglar alarm at a residence on Dennis Lane. Responding officers checked the ground floor and determined it was secure.

09/10/2023 3:09pm A resident of Broadway reported a tree down in Nannahagen Park. Responding officers taped off the area and determined the threat had been properly mitigated. DPW was notified for a future response.

09/10/2023 4:45pm A resident of Fairway Drive requested medical assistance for his mother, who is a resident of the Clinton Street Center, as she had not been feeling well. EMS was dispatched, and officers attempted to keep the woman comfortable while awaiting their arrival. The patient was transported to the hospital via Pleasantville VAC.
