

BLOTTER SUMMARY

October 30th through November 5th, 2023

The Blotter reports below represent a selection of reports made between the dates above.

10/30/2023 9:43am The owner of a business on Manville Road reported an ongoing parking issue involving school buses parking for an extended period of time in the area in front of her business. The Desk Officer spoke to the manager of the facility to which the buses would drop students, and they pledged to work on finding a better place for the busses to park in the future.

10/30/2023 11:42am A resident of Sunnyside Avenue reported a parked car blocking a fire hydrant near his home. The responding officer issued a summons for the violation, as well as one for an expired inspection.

10/31/2023 8:00am An officer was dispatched to the area of Bedford Road and Orchard Street to follow up on a complaint of a driver that was failing to yield to pedestrians during school drop-off time. Following a brief investigation, the officer located the vehicle, and the driver was advised against irresponsible actions which put pedestrians at risk.

10/31/2023 8:05am A resident of Bedford Road reported fresh graffiti at multiple locations in the downtown area. The responding officer began a preliminary investigation, which was turned over to the Detective Division for follow-up.

10/31/2023 2:22pm A resident of Roselle Avenue reported a man sitting in a vehicle near the park, wearing a ski mask and watching children play in the park. Upon arrival, the responding officer determined the man was wearing a Halloween costume and was waiting to pick up a friend to go to an event.

10/31/2023 3:34pm A resident of Marble Avenue reported smoke coming from the basement of his residence. Pleasantville Fire was dispatched, and the responding officer discovered a smoke condition upon his arrival. Further investigation determined that while there was no fire, an issue with the boiler had created higher levels of carbon monoxide. Pleasantville Fire vented the area.

10/31/2023 8:03pm A Village resident reported a man in the roadway on Washington Avenue, apparently attempting to hitchhike. The responding officer canvassed the area with negative findings.

10/31/2023 9:02pm A resident of Ashland Avenue reported what he believed were multiple gunshots in the area of the Country Club. The responding officers canvassed the area with negative findings, and a passerby reported witnessing multiple fireworks going off in the area.

11/01/2023 1:54am The central monitoring station for an alarm company reported an activation at a business on Manville Road. Responding officers found the exterior secure, but requested a key holder to respond. Once inside, officers determined that the alarm was activated by automatic doors which were not completely closed, so the keyholder corrected the problem.

11/01/2023 2:37pm County Fire Control dispatched the Pleasantville FD to a restaurant on Bedford Road for an automatic fire alarm. The responding officer assisted FD personnel to determine the alarm was accidentally set off by an employee.

11/01/2023 4:24pm A Village resident came into Police HQ to turn in an amount of money she had found while walking near Wheeler Avenue. Since no owner could be determined, the money was vouchered and held for safekeeping.

11/02/2023 12:21am A resident of Greenmeadow Road requested transport to the hospital for her husband, who was running a high fever. EMS was dispatched, and responding officers attempted to keep the man comfortable pending their arrival. The patient was transported to the hospital via Pleasantville VAC.

11/02/2023 10:14am A resident of Sunnyside Avenue reported a vehicle parked in front of the fire hydrant in the area of his home. The responding officer issued a summons.

11/02/2023 10:56am A 911 call was received from a local business in which the caller hesitated to report that there was no issue. Out of an abundance of caution, the Desk Officer dispatched units, and the responding officers found that the call had been dialed in error.

11/02/2023 4:08pm A resident of Hobby Street reported a vehicle blocking his driveway. The responding officer issued a summons for the violation.

11/03/2023 8:14am The crossing guard posted there reported an elderly man had tripped and sustained a head injury while walking at the intersection of Pleasantville Road and Manville Road. EMS was dispatched, and responding officers provided basic medic aid until an ambulance arrived. The patient was taken to the hospital via Pleasantville VAC.

11/03/2023 2:53pm A caller reports a traffic condition in the area of Stanley Street and Marble Avenue. Responding officers determined that the issue was a parking condition at the intersection of Stanley Street and Rosalind Avenue. Once the officers were able to get vehicles moved, the traffic condition was alleviated.

11/03/2023 5:04pm A resident of Somers reported that he was involved in a property damage auto accident on Broadway. The responding officer investigated the incident and discovered that one vehicle exited a parking lot and struck a vehicle being operated southbound. A NY State Accident Report was filed.

11/03/2023 9:38pm County Fire Control reported a commercial fire alarm at a restaurant on Washington Avenue. The responding officer worked with Pleasantville FD personnel to determine the activation was accidental.

11/03/2023 9:40pm Mount Pleasant PD requested mutual aid assistance for a fight in progress at a fast food restaurant on Marble Avenue. Responding officers assisted Mount Pleasant officers until such time as the scene was restored to order.

11/04/2023 5:00am Despite posted warnings, two vehicles were impounded from the Memorial Plaza Lot for violation of the parking regulations for the Farmer's Market.

11/04/2023 10:15am A resident of Depew Street reported multiple vehicles parked in the fire lane near his home. Upon his arrival, the Parking Enforcement Officer discovered the vehicles had been moved.

11/04/2023 8:27pm An employee at a convenience store on Pleasantville Road reported a customer acting erratically. Responding officers learned there was a minor dispute between the clerk and the customer regarding the price of an item, and then the customer left the store. A canvass of the area was negative.

11/05/2023 1:15am A resident of the Village requested medical interventions, as she was experiencing hallucinations from prescription medication. EMS was dispatched, and the responding officers kept the woman calm while awaiting the arrival of the ambulance and the paramedic. The patient was transported to the hospital via Pleasantville VAC.

11/05/2023 9:01am A caller reported an unoccupied car off the roadway and into the wooded area on Lake Street. The responding officers located the vehicle in the mud and contacted the owner, who reported she got stuck leaving a friend's house the night before. The owner contacted a private tow company to have the vehicle moved.

11/05/2023 3:01pm County Fire reported a residential fire alarm at a residence on Maple Hill Road. Responding officers and Pleasantville FD personnel determined the alarm was accidentally activated by a hair dryer.

11/05/2023 7:22pm The clerk at a gas station on Pleasantville Road reported an unoccupied vehicle at the pumps for the past two hours. Utilizing multiple resources, the Desk Officer was able to contact the registered owner, who reported her brother was borrowing the car and at work a short distance away. Upon speaking to him, he reported that the vehicle was having mechanical issues, and officers assisted with moving the vehicle from the pumps. The owner will follow up on the mechanical issues.
