

BLOTTER SUMMARY

October 9th through October 15th, 2023

The Blotter reports below represent a selection of reports made between the dates above.

10/09/2023 5:49am County Fire Control reported they were dispatching Pleasantville FD to an automatic fire alarm at a residence on Brentwood Drive. The responding officers assisted FD personnel to determine the alarm was set off in response to a water leak, and the scene was cleared by Pleasantville FD.

10/09/2023 9:51am County Fire Control reported they were dispatching Pleasantville FD to an automatic fire alarm at a residence on Great Oak Lane. The responding officers assisted FD personnel to determine the cause of the alarm was burnt food, and the scene was cleared by Pleasantville FD.

10/09/2023 1:43pm A resident of Summit Place reported a verbal dispute with a neighbor who was in the process of moving out. Responding officers de-escalated the situation and interviewed both parties. Once it was determined there was no criminality, both parties were advised to avoid the other for the remainder of their short time as neighbors.

10/09/2023 4:00 pm A passerby requesting a welfare check on a young woman at the bus stop on Bedford Road who appeared to be very upset. The responding officers located the woman and assisted her to regulate her emotions, and contacted her family. Her father responded to the scene and took her home without any issues.

10/09/2023 6:42 pm A resident of Davie, NY requested a welfare check on her adult daughter, who resides in Pleasantville, following concerns arising from a recent telephone call. The responding officers located the daughter at her residence and interviewed her. The woman did not appear to be in distress, so services were offered, but they were declined.

10/09/2023 8:15pm Police responded to a Bedford Road residence for a domestic dispute between a father and son. The responding officers discovered that no crimes had been committed, and were able to de-escalate the situation. A Domestic Incident Report was completed to document the incident.

10/09/2023 9:56pm County Fire Control reported they were dispatching Pleasantville Fire to a residence on Washington Avenue for a fire alarm activation. Responding officers assisted FD personnel to determine the alarm was set off in error. The scene was cleared by FD personnel.

10/10/2023 4:08pm A resident of Grove Street reported an attempted larceny from one of his personal banking accounts. The man was notified of an attempt to wire money from his account without his knowledge. Although the activity was flagged by his bank and no money was lost, the man wanted the incident documented, so a report was filed.

10/10/2023 9:02pm A resident of Grove St reported a vehicle parked in violation on her street. The responding officer issued a summons.

10/11/2023 9:46am The central monitoring station for an alarm company reported a panic alarm activation at a residence in the Village. Responding officers interviewed the homeowner and determined the alarm was set off in error.

10/11/2023 11:25am While on routine patrol, PO Garcia stopped a vehicle on Manville Road near the intersection with Pleasantville Road for making a prohibited right turn against a red signal. A subsequent check of the driver's license showed it to be revoked. The driver, a 60-year-old resident of Pleasantville, was arrested and processed at the scene. He was released with an appearance ticket for Pleasantville Justice Court to answer a charge of Aggravated Unlicensed Operation in the Third Degree.

10/11/2023 4:11pm A neighbor requested EMS for a woman who suffered injuries from a fall in Foxwood Condominiums. EMS was dispatched, and responding officers found the woman to be conscious and responsive, and attempted to keep her comfortable while awaiting their arrival. The patient was transported to the hospital by Pleasantville Ambulance.

10/12/2023 8:01am The crossing guard on Ashland Avenue reported a minor motor vehicle accident in the rear parking lot of the Middle School. The responding officer determined that the drivers had already exchanged information, and left the scene prior to his arrival.

10/12/2023 8:22am A passing motorist reported a purse apparently dumped on the side of the road on Church Street. Responding officers checked the area but did not locate the property.

10/12/2023 1:32pm A resident of Manville Road requested assistance with her young daughter, who was becoming increasingly defiant. The Youth Officer contacted the Mobile Crisis Response Team for a consultation, and the family's information was provided for the team to follow up.

10/12/2023 2:40pm NYSP Hawthorne forwarded an automated 911 call from an iPhone regarding an auto accident on Romer Avenue. Officers checked the area but found no sign of an accident, and callbacks to the original number were unanswered. A short time later, the original caller called back and reported the automated emergency call was sent in error.

10/12/2023 4:43pm The owner of a business on Broadway reported receiving numerous calls throughout the day from an unknown person who was attempting to contact a different local business to report illegal activity taking place there. The desk officer contacted the caller and 1). advised him that he was calling the wrong location, and 2). inquired about the illegal activity. The caller apologized for the confusion, and refused to elaborate on what activity was occurring.

10/12/2023 9:44pm Mount Pleasant Police requested assistance tracking a drone that had crossed from their jurisdiction into ours. An officer briefly spotted the drone, but eventually lost sight of it near Broadway.

10/13/2023 2:25am A resident of Foxwood Condominiums requested assistance getting her husband off the floor after a fall. Responding officers determined the man was not injured and assisted him back up.

10/13/2023 7:48am A resident of Ossining reported a green landscaping truck being driven erratically northbound on Washington Avenue. An officer checked the area, but the vehicle was not located. New Castle PD was advised as the truck was headed northbound into Chappaqua.

10/13/2023 9:14am A resident of Foxwoods Condominiums requested assistance for her husband who had fallen and needed assistance getting up. While on scene, responding officers determined the man would benefit from a medical evaluation, and EMS was dispatched. Upon their arrival, it was determined that the man should be taken to the hospital, and he was transported via Pleasantville VAC.

10/13/2023 12:02pm A resident of Manville Road reported a vehicle that had been parked for an extended period of time near the intersection with Clark Street. The responding officer gathered the vehicle's information and contacted the owner, who stated the car had broken down and he was waiting for parts to fix it. He further stated he will have it towed out of the area within 24 hours.

10/13/2023 2:29pm A resident of Sunnyside Avenue reported his driveway was blocked by a parked vehicle, making it impossible for him to exit. The responding officer contacted the vehicle's owner, and the vehicle was moved.

10/13/2023 10:32 pm An anonymous caller reported a woman walking in the middle of Bedford Road in front of the Bedford Road School. When the caller had asked if the woman was alright, she ignored him. The responding officer canvassed the area with negative findings.

10/13/2023 10:40pm A resident of Pleasant Avenue reported a car parked with its left side to the curb on his street. The responding officer issued a summons for the violation.

10/14/2023 2:22am The central monitoring station reported an activated panic alarm at a business on Marble Avenue. Responding officers determined the employee on duty activated the panic alarm for assistance with an unwanted and intoxicated patron behind the counter. The officers removed the man, a 34-year-old local resident, from the store and since the employee did not wish to press charges, escorted him home.

10/14/2023 11:02 am An employee of a store on Pleasantville Road requested assistance for a person passing out. EMS was dispatched, and responding officers determined the woman was experiencing dizziness and nausea. The patient was transported to the hospital by a mutual aid ambulance.

10/14/2023 3:17 pm County Fire Control reported they were dispatching Pleasantville Fire for a commercial fire alarm activation at a business on Bedford Road. The responding officer determined that the alarm was a carbon monoxide alarm, and Con Edison was requested to respond. The investigation determined that the cause of the alarm was a malfunction, so Pleasantville Fire cleared the scene.

10/14/2023 6:01 pm A resident of Madison Avenue reported a suspicious person in front of her home. The person in question had left prior to the officer's arrival, but the investigation led the officers to locate and identify the man, who was in the area concerning an assault that had occurred the night before. The man was warned to remain apart from the incident.

10/15/2023 9:46am The central monitoring station for an alarm company reported an activated alarm at a municipal building on Marble Avenue. Responding officers determined the alarm was set off in error by an employee.

10/15/2023 1:12pm A Life Alert activation was received from a resident in Foxwood Condominiums. EMS was dispatched, and responding officers rendered basic assistance until the ambulance and paramedic arrived. The patient was transported to the hospital by Pleasantville VAC.

10/15/2023 5:06pm A staff member requested assistance with a youth who had gone AWOL from a residential treatment home. Responding officers assisted with locating the youth and requested EMS for an evaluation. The youth was transported to the hospital by Pleasantville Ambulance.

10/15/2023 6:37 pm The central monitoring station for an alarm company reported a residential burglary alarm on Dennis Lane. The responding officer determined that the alarm was set off in error by a resident of the home.

10/15/2023 8:37pm County Fire Control reported they were dispatching Pleasantville FD to a carbon monoxide alarm at a home on Sunnyside Avenue. Responding officers and FD personnel determined that there was no issue and that the alarm was a malfunction. The scene was cleared by Pleasantville Fire.
