

BLOTTER SUMMARY

February 27 through March 5, 2023

The Blotter reports below represent a selection of reports made between the dates above.

02/27/2023 9:27am A resident of the Pleasantville Senior Center reported she had locked herself out of her apartment. The responding officer discovered that the caller had found her keys upon arrival and was able to gain entry into her residence.

02/27/2023 3:46pm A resident of Hopper Street reported that he had been the victim of identity theft. He reported that he had received a collection notice from AT&T Mobility for a wireless service line that he had never opened and of which he had no knowledge. The responding officer made a report for documentation purposes and advised the victim of steps he could take to protect his credit. An investigation is continuing.

02/27/2023 4:51pm A Village resident called to report a strong chemical odor in her residence, causing a headache to her and her son. The responding officer assisted Pleasantville FD to secure the scene as they conducted their investigation. Eventually, no source for the smell was uncovered.

02/27/2023 5:00pm A resident of Hildreth Place reported that her gas grill had caught fire and she needed assistance extinguishing it. Responding officers assisted Pleasantville FD to extinguishing the fire, and no structural damage occurred.

02/27/2023 5:20pm A Mount Kisco resident came to Police HQ to report her vehicle had just been struck by another vehicle, which then left the scene. The driver reported that as she sat in traffic on Grant Street, a white pickup truck made a left turn from Depew Street and struck her bumper, causing minimal damage. The driver continued south on Grant Street toward Manville Road. A canvass of the area was negative, and the incident was documented with a police report.

02/27/2023 5:42pm An Ashland Avenue resident called 911 to report that the BBQ grill located on her rear patio was on fire. Pleasantville FD was dispatched. Responding officers discovered upon their arrival that the fire had been extinguished by the homeowner.

02/28/2023 1:04pm A resident of Academy Street reported a smell of gas in her basement. Pleasantville FD was dispatched via Fire Control, and Con Edison was requested to respond. Responding officers assisted with scene security until such time as Con Edison had control.

03/01/2023 7:00am County Fire Control reported an elderly party with injuries from a fall at her residence in Foxwood Condominiums. The ambulance and the paramedic were dispatched, and responding officers provided basic first aid and comfort to the assistance to party, who sustained minor injuries. The patient was transported to the hospital via Pleasantville VAC.

03/01/2023 8:45am A Bedford Road resident reported that she had gotten into an argument with her adult son in regards to his attendance at a medical appointment. The woman further reported that her son was angry when he left the house with the car, and she is concerned about his wellbeing. After contacting the son via his cell phone, the responding officer confirmed the young man was okay and he was on his way to the medical appointment.

03/01/2023 8:11pm A resident of Florida requested a welfare check on her children, who were with their father at a residence in the Village. Responding officers confirmed the children were safe and spoke to the father, who assured the officers this was a harassment technique being employed by his ex-wife. Both parties were advised as to Family Court being the appropriate venue for concerns regarding visitation.

03/01/2023 9:28pm A resident of Sunnyside Avenue called 911 to report that his mother had looked like she was about to pass out, but had recovered and no longer needed assistance. Out of an abundance of caution, the desk officer dispatched officers and EMS to the house. A preliminary medical investigation uncovered that the woman had felt like she was going to pass out due to coughing too hard to dislodge food in her throat, but there was no longer any medical issue. The patient refused further medical attention.

03/02/2023 1:03am Mount Pleasant Police reported an activated burglar alarm at a residence in the Pleasantville PD jurisdiction. Responding officers checked the exterior of the residence and located an open window, but no signs of entry. Officers closed the window prior to departing.

03/03/2023 12:07am A son who is away at college requested a welfare check on his parents, with whom he had a telephone conversation earlier in the evening but who were not picking up now. Responding officers responded to the residence and located the man's parents, who had gone to bed and turned the ringers off on their phones. The original caller was contacted and notified that everyone was alright.

03/03/2023 12:39am A resident of Stanley Street requested assistance for his mother, who was unable to ambulate and needed to go to the hospital. The ambulance and the paramedic were dispatched, and responding officers were able to render basic assistance pending their arrival. The patient was transported to the hospital via Pleasantville VAC.

03/03/2023 10:51am County Fire Control reported a general fire alarm activation at a building on Bedford Road. Responding officers assisted Pleasantville Fire Department personnel to determine the alarm was set off in error.

03/03/2023 12:09pm Police and Pleasantville Volunteer Ambulance responded to a Christie Court residence in regards to a mental health order. The patient was compliant with the order and was transported to a local hospital for further medical treatment without incident.

03/04/2023 5:00am Despite posted signs, one vehicle was found to be parked in violation in the Memorial Plaza Lot for the Pleasantville Farmer's Market. A summons was issued and the vehicle was impounded.

03/04/2023 5:21am A commercial fire alarm was reported at a business on Manville Road. Pleasantville FD was dispatched, and officers assisted them to determine that the alarm was caused by a leak in the roof, which caused a minor flooding condition. Notifications were made to the manager of the facility and to the building department.

03/04/2023 12:25pm A resident of Columbus Avenue called 911 to request EMS respond to her house for her 85-year-old mother, who was bleeding from an undisclosed location. Responding officers administered basic first aid while awaiting the arrival of the paramedic and the ambulance. The patient was transported to the hospital via Pleasantville VAC.

03/04/2023 1:34pm A man from Rockland County reported that his mother, who lives in Pleasantville, had stolen his Social Security Disability money. The man further stated that he was going to come to Pleasantville to damage property and retrieve the money, and he did not care about being arrested. The Desk Officer was able to contact the mother, who reported her son was homeless, suffering from mental illness, and off his medication. The Desk officer contacted Clarkstown PD, who stated they were familiar with the man and would attempt to do a welfare check on him. The mother was unconcerned about her physical safety, but was advised to contact this Department should her son arrive at her residence.

03/04/2023 10:30pm County Fire Control reported a fire alarm activation at a restaurant on Marble Avenue. Responding officers assisted Pleasantville Fire personnel to determine that the alarm was set off in error by an unknown source. The alarm was cleared and reset by the Fire Department prior to their departure.

03/05/2023 2:01 am A resident of Brookside Place reported that she just observed her vehicle being stolen from her driveway. Responding officers canvassed the area with negative results and requested mutual aid from surrounding agencies. The vehicle was located unoccupied on Skytop Drive a short time later by Mt Pleasant PD. Further investigation revealed that the parties responsible were attempting to steal a second vehicle when they were located by patrol officers. The suspects rammed a police car, and then fled on foot into another stolen car, in which they fled southbound on the Saw Mill River Parkway. The two previously stolen vehicles were impounded for evidence processing, and the investigation is continuing.

03/05/2023 6:29am A resident of Manville Road reported that she has an elevated blood pressure. The caller was made comfortable by responding officers, while the ambulance and the paramedic were dispatched. The patient was transported to the hospital by Pleasantville VAC.

03/05/2023 11:27am A resident from Brookside Place report that someone had entered his unlocked vehicle during the overnight hours and removed a Target Debit card and a black leather wallet. The investigation is continuing.

03/05/2023 12:01pm A resident of Florida requested a welfare check on her children, who were with their father at a residence in the Village and were late for a Facetime call. Responding officers spoke to both the children and their father and determined the lateness was caused by technical issues and everyone was safe.

03/05/2023 2:43pm The Police Desk received multiple 911 calls reporting a two-car motor vehicle accident on Sunnyside Avenue. Responding officers determined that no one was injured, but requested a tow truck for both vehicles involved. One vehicle was pulling out of a parking spot into traffic when the accident occurred. A NY State Accident Report was filed.

03/05/2023 5:20 pm A resident of Brookside Place came into Police HQ and reported that at some time during the previous evening, his unlocked vehicle was rummaged through while it was parked in his driveway. A case report was prepared and turned over to the Detective Division for follow-up.

03/05/2023 6:51pm A resident from Sky Top Drive reported that their unlocked vehicle had been ransacked at some point the previous night, and a small amount of cash was taken. Officers obtained pertinent information for the case report.
