02/14/2022 12:30am The house sitter for a residence on Great Oak Lane reports that one of the attendees of a small Super Bowl gathering is in need of medical attention. Upon arrival, officers discovered a 23-year-old man who is a resident of the Bronx having a negative reaction to consuming an "edible". He was transported by Pleasantville VAC to the hospital.

02/14/2022 11:11am A resident of Thornwood called Pleasantville HQ to report she is locked out of her vehicle on Washington Avenue. The responding officer was able to unlock the vehicle.

02/14/2022 2:34pm A Weskora Avenue resident requested medical attention for her husband who has fallen multiple times and sustained a head injury. A paramedic and Westchester EMS ambulance were requested. The injured party was transported by Westchester EMS to the hospital.

02/14/2022 4:29 pm A Thornwood resident reports being involved in a two-car automobile accident on Bedford Road in front of Seven-Eleven. Although the accident was minor, an ambulance was dispatched to the scene for a female passenger of one of the vehicles who sustained an arm injury. She was transported to the hospital via Pleasantville VAC.

02/15/2022 6:59am An anonymous woman called to report that the traffic light at the intersection of Bedford Road and Marble Avenue was blinking. The Superintendent of Public Works was notified. He arrived at the scene and was able to reset the light to correct operation.

02/16/2022 5:23pm An employee of a restaurant on Wheeler Avenue called to report an intoxicated female patron laying on the floor and using explicit language towards employees. Responding officers attempted to keep the woman, who lives in Pleasantville, calm while awaiting the arrival of the ambulance and the paramedic. She was transported to the hospital for evaluation and treatment.

02/16/2022 5:47pm A resident of Pleasantville came to Pleasantville HQ to report unauthorized charges on her credit card. When the woman had noticed an unfamiliar charge on her

account, she reviewed old bank records and discovered that this had been occurring for several months. She was provided with information regarding credit-monitoring and keeping her accounts secure.

02/17/2022 3:33pm A woman called the Police Desk to report a vehicle occupied by an elderly couple broken down on Washington Avenue at the intersection with Manville Road. Upon arrival, the responding officer found the car had been jumpstarted and the roadway was clear.

02/17/2022 7:03pm A resident of Pleasantville called to report that her husband was experiencing chest pain. Upon arrival, responding officers found the man losing consciousness. He was administered oxygen while awaiting the paramedic and the ambulance, and was transported via Pleasantville VAC to the hospital.

02/18/2022 1:29am A caller from Bedford Road reported a loud group of youths walking towards Pace University. Responding officers located the group and spoke with the parties involved, who were Pace students, and advised them to reduce the noise they were making while in a residential area. The students agreed, and were sent on their way without incident.

02/18/2022 4:02am A resident of Columbus Avenue requested assistance, as he is experiencing severe abdominal pain. Responding Officers attempted to keep him comfortable while awaiting the arrival of the paramedic and the ambulance. The man was transported to the hospital via Pleasantville VAC.

02/18/2022 7:59am A party out-of-state reported he had been unable to reach his elderly aunt who lives in Pleasantville and requested a welfare check be conducted. Responding officers found the woman safe and secure in her home.

02/18/2022 10:08am A Washington Avenue resident requested medical attention for her son, who was complaining of abdominal pain following a recent surgical procedure. The paramedic and Pleasantville VAC were dispatched, and the patient was transported to the hospital.

02/18/2022 2:04pm A doctor from Mount Kisco called the police department to report that one of his patients, who lives in Pleasantville, is having difficulty breathing and needs to be transported to the hospital. Police, ambulance and paramedics were dispatched. The woman was given oxygen and transported as per the doctor's request.

02/18/2022 3:08pm A resident of Briarcliff called from the Jacob Burns Film Center to report a problem with theater staff failing to provide a refund. Upon arrival, the officer determined that after a disagreement with another (unidentified) customer over mask-wearing, the caller and her family member decided they were not going to stay for the movie and asked for a refund. When the staff informed them of the no-refund policy, they contacted police. Prior to the officer's arrival, the management of the JBFC had relented and were processing the refund. The parties left without further incident.

02/18/2022 6:02pm A Pleasant Avenue resident reported her 6-year-old son had accidentally injected himself in the hand with an EpiPen. Officers responded to scene while the paramedic and an ambulance were dispatched. After a medical evaluation, it was determined that the boy did not need to go to hospital for treatment.

02/18/2022 11:06pm A resident of Washington Avenue reports that her son, who had been transported earlier that day to the hospital on a complaint of pain after surgery, had been released but was again experiencing pain. Responding officers attempted to keep him comfortable awaiting the arrival of the ambulance and the paramedic. He was transported back to the hospital.

02/19/2022 3:03pm A Sarles Lane resident called to report that her father and brother are involved in a verbal dispute. Upon arrival, the responding officers reported that the argument was minor and one of the parties involved agreed to leave the scene without incident. A New York State Domestic Incident Report was filed.

02/19/2022 9:27pm A resident of the Clinton Street Center reported that her neighbor has fallen and needs assistance getting back up. The caller was unsure if her neighbor was injured or not.
