BLOTTER SUMMARY

December 25rd through December 31th, 2023

The Blotter reports below represent a selection of reports made between the dates above.

12/25/2023   12:32am   A resident of Manville Road called 911 to report some kind of disturbance, despite a language barrier. The responding officers determined that the caller was upset because a guest at her home spilled chili on the floor and refused to clean it up. Officers were able to deescalate the situation, and the party responsible eventually agreed to assist with the clean-up.

12/25/2023   1:10am   An employee of a local business reported that upon returning to his vehicle after work, he noticed two of the tires to his vehicle were damaged while the car was parked in an off-street lot near Memorial Plaza. The responding officer confirmed the damage and began a preliminary investigation, which was eventually turned over to the Detective Division.

12/26/2023   12:16am   A resident of Grant Street requested assistance for her husband, who she believed was intoxicated, on Washington Avenue. Responding officers learned the man tended to play loud music after he had been drinking, and she wanted to ensure he did not disturb anyone when they arrived at home. The officers assisted the man to get home and ensured there would be no issues after they left.

12/26/2023   1:24am   A resident of Greenwood Condominiums reported footsteps in the vacant apartment upstairs. Responding officers determined that the people in the apartment were the owners.

12/26/2023   6:55am   A caller from a convenience store in the Old Village reported an elderly man in the store without shoes. Responding officers recognized him as a local resident and determined him not to need medical interventions. They gave him a ride home to the custody of his family.

12/26/2023   4:31 pm   County Fire Control reported they were dispatching EMS to a home on Pleasant Avenue for a person having seizures. Responding officers found the woman

to be conscious and breathing upon their arrival. The patient was transported to the hospital by Pleasantville Ambulance.

12/26/2023   9:07pm   A resident of Briarcliff reported a man going behind the counter at a retail establishment on Bedford Road. Responding officers interviewed the clerk, who stated nothing out of the ordinary had happened.

12/28/2023   2:05am   While on patrol, Sgt. Leone discovered a flooding condition on Bedford Road in the area of Campus Drive, caused by heavy rainfall and a possibly blocked storm drain. The area was marked for safety in order to warn passing motorists, and DPW was notified to address the situation.

12/28/2023   10:35am   A resident of Summit Place reported on-going conflict with her neighbor which led to a verbal dispute. Both neighbors were interviewed, and since the dispute was verbal only, responding officers filed a report to document the incident.

12/28/2023   5:59pm   County Fire Control reported they were dispatching Pleasantville FD to a residential fire alarm on Washington Avenue. Police and Fire Department cooperated to determine the alarm was set off by cooking.

12/29/2023   6:34am   A resident of Meadow Lane reported her husband was experiencing high blood pressure and pain in his left arm. EMS was dispatched, and responding officers treated the man with oxygen while awaiting their arrival. Following a brief evaluation, the patient was transported to the hospital via a mutual aid ambulance.

12/29/2023   3:33pm   A Village resident reported a raccoon on Manville Road stumbling and appearing to be sick. Responding officers found the raccoon had entered the storm drains prior to their arrival.

12/29/2023   10:00pm   A resident of Long Island City reported a woman who had momentarily passed out in an establishment on Bedford Road. EMS was dispatched, and responding officers attempted to keep her comfortable pending their arrival. Following a brief evaluation, the patient refused further medical attention.

12/30/2023   5:00am   Despite posted warnings, one vehicle was impounded from the Memorial Plaza Lot for violation of the restrictions for the Pleasantville Farmer's Market.

12/30/2023   8:53 am   A resident of Grandview Drive reported a sick raccoon stumbling through her neighbor's yard. The responding officers located the sick raccoon and were able to dispatch it humanely.

12/30/2023   11:43 am   County Fire Control reported they were dispatching the ambulance and the paramedic to the Mount Pleasant Public Library for a man with injuries from a fall. The responding officers administered oxygen and first aid while awaiting the arrival of EMS. The injured party was transported to a local hospital by Pleasantville Ambulance.

12/30/2023   6:05pm   A resident of Bedford Corners reported he had struck a deer with his car while travelling on Bedford Road. Upon arriving, responding officers found out that the deer had run off and the driver did not want to file an accident report.

12/31/2023   11:09 am   The central monitoring station for an alarm company reported a commercial burglary alarm at a business on Pleasantville Road. The responding officers canvassed the premise and found it secure on the ground level.

12/31/2023   1:44 pm   A resident of Foxwood Drive requested Emergency Medical Services for a person injured from a fall. The responding officers provided first aid until Pleasantville Ambulance arrived and transported the injured party to the hospital.

12/31/2023   3:47pm   A resident of Hopper Street reported a physical altercation with her mother. Responding officers separated and interviewed the mother and her adult daughter and determined that both parties were mutual combatants, and that neither party required medical attention. Officers completed a New York State Domestic Incident Report, and the daughter left the house for the night to alleviate the situation.

12/31/2023   8:53pm   A resident of Meadow Lane reported that his sister and mother were engaging in a verbal altercation. Responding officers interviewed everyone involved, and determined the commotion had not turned physical. A NY State Domestic Incident Report was generated, and the caller's sister left the premises.
