

BLOTTER SUMMARY

August 15 through August 21, 2022

The Blotter reports below represent a selection of reports made between the dates above.

08/15/2022 12:54pm A resident of Hays Hill Road came to Police HQ to surrender ammunition he had found while cleaning out his house. The ammunition was taken into possession and designated for destruction.

08/15/2022 2:03pm A resident of Irvington Street reporting multiple vehicles parked in violation, making it difficult to drive down the roadway. The responding officer was able to locate the vehicle owners and have them moved without incident.

08/15/2022 8:03pm A Village resident reported a road rage incident in the recent past in the Old Village. The caller stated she was waiting at the light on Bedford Road at Broadway, and when the light turned green, she beeped her horn to alert the driver in front of her. At that point he "flipped her off", and once they were on Broadway, began "brake-checking" her. A partial plate and vehicle description were provided. The vehicle was last seen on Bear Ridge Road. Officers checked the area and notified Mount Pleasant PD, but the vehicle was not located.

08/15/2022 9:38pm A resident of Bismark Street reported that an unknown package had been left on her front porch by a group of youths. The responding officer advised that the package was a can of soda. The officer canvassed that area for the youths with negative results.

08/16/2022 3:51pm The central station monitoring system for an alarm company reported a residential activation on Washington Avenue. The homeowner called shortly thereafter and stated that after he had been notified by his alarm company of the activation, he checked his security cameras and saw nothing amiss. Responding officers checked the exterior of the home and found it secure.

08/16/2022 8:10pm After receiving a 911 call in which the caller hung up, multiple call-backs were placed to the residence at the Clinton Street Center from where the call had come. When the Desk Officer realized the resident there was having trouble hearing the conversation, the Desk Officer dispatched an officer to do a welfare check. The responding officer found everything in order.

08/16/2022 8:11pm A motorist reported a male party sleeping on the bench at the bus stop in Memorial Plaza at the intersection with Bedford Rd. Officers determined the man was waiting for a bus and not in need of assistance.

08/17/2022 7:16am A personal alarm company reported a resident of the Clinton Street Center had fallen and needed assistance. When officers arrived on scene, they determined the need for a further medical evaluation. The resident was checked by EMS personnel but she decided not to go to the hospital.

08/17/2022 1:55pm A resident of Leland Avenue reported a suspicious vehicle, described as a black Toyota, stopping in front of residences in the area. Further information from the caller revealed that she believed the vehicle was occupied by youths and they were leaving trash behind. Responding officers checked the area but could find neither the vehicle nor any evidence of littering.

08/17/2022 5:04pm A resident of Mount Pleasant requested assistance for an elderly woman to whom she had just given a ride to a restaurant on Marble Avenue. Responding officers interviewed the woman and found her to be in command of her faculties, which was confirmed by employees of the restaurant, who reported the woman is a regular customer.

08/18/2022 3:34am A resident of Hopper Street reported people making noise in the area of his home. Responding officers located two men outside a residence, but they went inside as soon as the officers arrived.

08/18/2022 10:31am A resident of the Village reported that his neighbor allows his dog to roam the neighborhood off his leash. The landlord and tenant (the dog's owner) were both contacted regarding Village ordinances regarding dogs off-leash.

08/18/2022 11:50am A central station monitoring system for an alarm company reported a fire alarm activation at a restaurant on Bedford Road. Pleasantville FD was dispatched via County Fire Control and responded. It was determined that the alarm was erroneously set off from cooking.

08/18/2022 12:30pm An employee of a facility on Tompkins Avenue reported via 911 that a person had been struck in the face with a baseball and was bleeding profusely. Responding officers assisted to staunch the bleeding while awaiting the arrival of the ambulance and the paramedic. The patient was transported to the hospital for further medical treatment by Pleasantville VAC.

08/18/2022 5:09pm A resident of Connecticut reported that the day prior, his parked vehicle had been struck by another car that left the scene. A note was left by a witness that described the vehicle as a blue Range Rover, but gave no license information. The case is being investigated.

08/18/2022 7:35pm A woman requested assistance at a residence on Academy Street for a family member who needed assistance getting up after a fall. Responding officers were able to lift the woman off the ground and back into her bed. No injuries were reported or observed, and she was left in the care of her home health aide.

08/19/2022 10:10am A resident of Meadow Lane reported that he observed a raccoon he believed to be rabid in the area of his home, but he had lost sight of it. Responding officers searched the area and found the animal on Sunnyside Avenue. It was exhibiting signs of being rabid, so it was destroyed. DPW was contacted for removal of the animal.

08/19/2022 1:20pm Briarcliff PD requested assistance locating a vehicle which was observed causing a property damage auto accident and leaving the scene. Pleasantville officers located the vehicle being operated eastbound on Pleasantville Road and affected a traffic stop at the intersection with Bedford Road. Briarcliff officers responded to take custody of the vehicle, which had sustained heavy damage, and the driver, who was transported to the hospital via Pleasantville VAC.

08/19/2022 1:37pm Multiple 911 calls were received regarding a displaced manhole cover on Manville Road near the intersection with Washington Avenue. The responding officer was able to re-secure the manhole cover and filed a NY State Accident Report. Con Edison was contacted to permanently address the manhole cover issue.

08/19/2022 5:40pm A resident of Bedford Road reported a computer scam in which her personal information was compromised. During a telephone call with a man claiming to be a representative of a recognized technology services company, the elderly complainant had provided access to her computer and personal information. While it was unclear whether or not any withdrawals had been made, the complainant was advised on how to secure her personal information, and she was provided contact information for the officer she dealt with should issues arise in the future.

08/19/2022 9:57pm A resident of Bedford Road reported hearing fireworks. The area was checked by responding officers, who concluded the noise was being generated in the jurisdiction of another police department.

08/20/2022 12:55am The central station monitoring system for an alarm company reported a residential burglar alarm on Brentwood Drive. Responding officers determined the alarm was set off in error by the homeowner.

08/20/2022 5:00am Despite numerous postings, one vehicle was towed from Memorial Plaza for the Farmer's Market.

08/20/2022 8:06am A resident of Brookfield Place reported hearing an audible alarm from a next-door neighbor's house, who they believe to be away on vacation. Responding officers were met by a different neighbor who the homeowner had contacted to assist, and together they were able to gain access and silence an alarm clock that could be heard through an open window.

08/20/2022 3:25pm A resident of the Clinton Street Center reported an issue with her toilet overflowing. She stated she had attempted to contact the management company, but was not able to reach them, and she was becoming concerned. Responding officers were able to unclog the toilet.

08/20/2022 4:56pm A resident called for assistance after locking his keys inside his vehicle on Washington Avenue. The responding officer was able to render assistance.

08/21/2022 9:44am A Village resident reported a water main break on Marble Avenue. After confirming the break was on private property leading into the residence, Water Department personnel were notified to respond.

08/21/2022 9:11PM A resident who lives near the Bedford Road School reported that a youth had rang his doorbell and ran away, possibly into a group of youths that were on the playground. Responding officers located the group, spoke to them about the incident, advised them that the playground was closed and dispersed them.
