

BLOTTER SUMMARY

November 7 through November 13, 2022

The Blotter reports below represent a selection of reports made between the dates above.

11/07/2022 4:14am The central station monitoring system for an alarm company reported an automatic alarm activation in the library of Bedford Road School. The responding officers checked the premise, and the school was secure.

11/07/2022 7:04am A local resident reported a raccoon with a large can stuck on its head in the area of Grant Street. Officers checked the area, but the animal was not located, and no further calls were received regarding the raccoon.

11/07/2022 9:24am Mount Pleasant Police requested Pleasantville VAC respond to Marble Avenue near the town line for a party having difficulty emotionally regulating themselves. Due to the location of the call, Sgt Holly assisted in securing the scene and getting the individual involved a mental health evaluation.

11/07/2022 11:26am A resident of the Clinton Street Center requested medical assistance via her medic alert system, as she was feeling unwell and requested an ambulance. The responding officers tended to the woman until the paramedic and the ambulance arrived. The patient was transported to the hospital via Pleasantville VAC.

11/07/2022 9:59pm A resident of Ashland Avenue reported a loud group of youths on the turf field at Pleasantville High School. Upon arrival, the responding officers discovered that the youths were in the process of being picked up by their parents.

11/07/2022 11:05pm Staff members from a local residential facility reported two students who had left campus. Officers canvassed the area until the students were located a short distance away, and were turned over to staff for transport back to campus.

11/08/2022 4:00am A resident of Center Street reported that his mother had fallen and was complaining of back pain. The paramedic and ambulance were dispatched, and the responding officers administered basic first aid until the ambulance arrived. Pleasantville VAC transported the patient to the hospital for further evaluation.

11/08/2022 5:45am A home health service requested assistance for their client, who had fallen and could not get up, at a residence in Foxwood Condominiums. Responding officers were able to help the man up, but noticed some minor injuries to his legs and requested EMS to respond for an evaluation. The man was evaluated, deemed to be in good health, and refused any further medical interventions.

11/08/2022 9:04am A man from Brewster reported that his car was out of gas and blocking the roadway on Grant Street. The responding officer assisted in pushing the vehicle out of the lane of traffic and the driver was given a courtesy transport to a gas station.

11/08/2022 12:17pm A resident of Sky Top Drive reported that a neighbor had driven her vehicle through his garage, causing possible structural damage to the house. The responding officers requested Pleasantville Fire and EMS to be dispatched to the scene. No injuries were reported from the accident. The building inspector was notified and responded to assess and secure the structure of the house. The vehicle was removed by a tow truck, and a contractor was brought in to ensure the structural integrity of the home was preserved.

11/08/2022 4:18pm The Mount Pleasant Police advised they had received a call reporting an elderly party not feeling well at a residence on Foxwood Drive. The responding officers provided medical assistance until EMS arrived. The party was evaluated but ultimately refused additional medical attention, and was not transported to the hospital.

11/08/2022 6:25pm A resident on Broadway requested medical attention, as he was experiencing pain from prior surgery. The paramedic and the ambulance were dispatched, and the responding officer remained with the caller until EMS arrival. The patient was transported to the hospital by Pleasantville VAC.

11/09/2022 8:28am The central monitoring station for an alarm company reported an automatic burglar alarm activation at a residence on North Place. The responding officers checked the ground level exterior of the property, and everything appeared secure.

11/09/2022 11:36am A 911 hang up call was received from a commercial location on Bedford Road. The desk officer called the location back, but there was no answer, so officers were dispatched. The responding officer contacted an employee on site, who stated that he had dialed 911 in error.

11/09/2022 3:45pm An employee of a retail establishment on Marble Avenue reported two parties were attempting to purchase merchandise by fraudulent means. While the officers were in route, one of the suspects fled the scene on foot, but the employees were able to use their personal cars to block the vehicle involved from exiting the lot. Upon investigation, officers learned the vehicle had been stolen out of New York City, and the driver's license was suspended. The suspect, a resident of Lynbrook, NY was arrested and charged with Criminal Possession of Stolen Property in the 3rd Degree, as well as Aggravated Unlicensed Operation of a Vehicle. He was transported to Pleasantville HQ, processed and released on his own recognizance. The vehicle was impounded, and NYPD was notified regarding the recovery of the vehicle.

11/10/2022 11:19am The central monitoring station for an alarm company reported an alarm activation at a residence on Tompkins Avenue. Responding officers checked the exterior of the home and found no signs of anything amiss.

11/10/2022 10:03pm A resident of Romer Avenue reported a group of youths making a lot of noise and driving erratically in the parking lot behind her house. The responding officer reported that no vehicles were observed, and the youths were dispersed upon arrival with directions to stay off school property after dark.

11/11/2022 1:30am A Pleasantville resident came into HQ to report a series of annoying phone calls from a prior romantic interest. The complainant stated that he had blocked her number but the caller was still able to leave voicemails. The resident requested the officer contact the caller and advise her to stop calling him. The caller stated that she understood, and would stop attempting to contact the other party.

11/11/2022 1:09pm A resident of Yonkers attempted to report an unauthorized use of her vehicle that occurred in Pleasantville. The complainant stated that the day prior, an acquaintance had dropped her off at her place of employment in Pleasantville in her car, but when she came back outside a short time later, the acquaintance and her car were gone. She was subsequently advised by the Eastchester Police Department that her vehicle was involved

in a motor vehicle accident later that night, in which the driver failed to comply, ran a red light, and was involved in a four-car accident. The driver of the vehicle then fled the scene on foot. The investigating officer began a preliminary investigation into the allegations, which began to cast doubt on the authenticity of the woman's story. When presented with the facts, the complainant recanted her story, stating that she was afraid of the repercussions relating to the accident.

11/11/2022 6:33pm While on patrol, Sergeant Woods came upon a motor vehicle accident on Washington Avenue in which a pedestrian was struck. The driver of the vehicle involved had exited a driveway and was proceeding north in the business district when his vehicle struck the pedestrian, who was crossing the street. The pedestrian was complaining of pain in her hip, so a paramedic and the ambulance were dispatched. The pedestrian was transported to the hospital via Pleasantville Vac and a NY State Accident Report was filed.

11/11/2022 10:10pm A resident of Pleasant Avenue reported an unknown person knocking on her door, causing her concern. Responding officers determined the person involved was a neighbor she had not originally recognized.

11/12/2022 5:01am Despite posted signage, two vehicles were towed from Memorial Plaza for violation of parking restrictions for the Farmer's Market.

11/12/2022 11:40am The central station monitoring system for an alarm company reported a residential burglar alarm at a home on Pleasant Avenue. Responding officers checked the exterior of the home and found it secure.

11/12/2022 4:06pm A resident of South View Street reported an unknown party walking around in front of his home. Officers canvassed the area and located a man fitting the description provided who lives on a neighboring street, who stated he was out for a walk.

11/12/2022 6:48pm A resident of Ashland Avenue called 911 to report that his teenage son had just been involved in a minor motor vehicle accident at the intersection of Manville Road and Orchard Street. Responding officers determined that there were no injuries, but one vehicle had to be towed from scene. A NY State Accident Report was completed.

11/13/2022 2:38AM A resident of Bedford Road reported that she had just woken up and discovered that her medicinal marijuana was missing. The woman further claimed that she believed a former boyfriend had entered her residence and removed the items. Officers assisted the woman in searching her residence, at which time the missing items were located.

11/13/2022 10:29am A resident of Saratoga Avenue reported cars parked in violation in the area of her home. The responding officer issued a summons.

11/13/2022 11:17pm Mount Pleasant PD reported that they were actively searching for two suspects in connection with a burglary at a commercial location in Thornwood. Pleasantville officers assisted in canvassing the area and eventually, securing one suspect for transport to Mount Pleasant PD HQ for processing.
