

TED Talks with Brian

(Masks and Social Distancing Required)

Are you interested in fascinating and educational activities at Clinton Street Center?

TED (Technology, Entertainment and Design) is devoted to spreading ideas, usually in the form of short, powerful **TALKS** (18 minutes or less) that cover almost all topics. We select the **TALKS** with seniors in mind.

Mondays at 1:00pm.

January & February, 2021

No TALKS on Jan 18 & Feb 15

Attend as many days as you like. We'll watch 3 different **TALKS** that should inspire lots of discussion. Some people participate in the discussion and others don't (no pressure). Everyone's opinion is respected.
