

WE'RE OPENING ON MEMORIAL DAY!

Our summer traditions are back for 2021! Please join us!

Pool Schedule Update!

Based on new guidance and our projected attendance, we are happy to announce that members can visit the pool at any time, and no reservations are needed.

Starting on July 3, the pool will open early for adult fitness swimming.

See the attached calendar for pool hours throughout the season.

We won't be using a reservation system, but we will expect groups to choose one of the socially-distanced "pods" marked on the pool deck. We ask everyone in your group to stay in your "pod" except when swimming, visiting the snack bar, or using the restrooms.

Covid Precautions

We're working hard to operate the pool safely, but we'll need the cooperation of members.

Covid precautions may change during the pool season. We are required to follow (and enforce) rules that are provided by the Westchester County Health Department. We expect that updated guidance will be forthcoming.

Unless the Health Dept. guidance changes, here's what you can expect:

Masks ARE required when...

- Arriving and departing
- In the building, restrooms and snack bar

Masks ARE NOT required when...

- In your space on the pool deck
- Walking to and from your space to swim

Snack Bar

The snack bar WILL be open. We'll ask everyone to respect distancing while eating.

Deck Chairs

Deck chairs WILL NOT BE PROVIDED. Please bring your own upright chair (folding beach or camping chairs preferred)

WiFi Service

WiFi is available at the pool. Check at the entrance desk for the password.

Swim Team

Swim team info is available at <https://www.pleasantville-ny.gov/parks-recreation-department>.

ONLINE MEMBERSHIP REGISTRATION

[Register.communitypass.net/VillageofPleasantville](https://register.communitypass.net/VillageofPleasantville)

*New members: Visit the Rec Department to obtain a photo ID card **after** registering online.*
