click for more info: www.JoinPFD.org

WHY VOLUNTEER?

While each member has his or her own personal motivations for volunteering, some of the benefits include:

- satisfaction from helping neighbors in need
- becoming more involved in the community
- learning new skills (some physically demanding)
- joining a family

There are more tangible benefits as well, including:

- 24-hour access to our on-site fitness center
- Village and town pool family passes
- Commuter parking at our headquarters
- NYS tax credit/property tax reduction
- Pension benefits
- Dinners and social events

WHAT CAN YOU EXPECT?

As a new member you will start out as a probationary firefighter, meaning you can train with us, come on calls and participate in most activities. During this time you will become familiar with the department, our equipment and our work.

Within the first two years you are expected to complete New York State training (no cost to you) to become an exterior firefighter. This will allow you to perform important support functions at a fire scene, but not enter a structure. If you choose, you can then complete additional training to become an interior firefighter.

"Thank you for your interest in becoming a member of the Pleasantville Volunteer Fire Department. Our community relies on our all-volunteer department to keep us all safe, and our department relies on volunteers like you."

- Chief Scopino

SOME TYPICAL CALLS ARE:

- Fires (house, structure, chimney, brush, vehicle)
- Motor vehicle accidents (including rescue and extrication)
- Investigating carbon monoxide alarms
- Responding to gas leaks, downed electrical lines and spills
- Animal rescue (yes, we really rescue cats stuck in trees)

In addition, we conduct drills, maintain our equipment and lead fire prevention and recruiting activities in the community.

APPLICATION PROCESS

1. Your application will be processed
2. A mentor will be assigned to you.
3. The fire district will complete a background and arson check.
4. A physical is required at no cost to you.
5. The Membership Committee will review your application.
6. Shortly after, you will be contacted with instructions.
7. Expect the whole process to take a couple of months.
